50 CENTS PER MONTH

## STARVATION NEAR-BY IN ENGLAND

Authoritative Admission of  
Desperate Condition if  
Strike Continues

### ASQUITH APPEALS FOR COMPROMISE OF STRIKE

Both Sides Firm—Strikers Re-  
fuse Aid of Trainers; Would  
Win on Merits

LONDON, March 5.—Following the admission of the home office that unless a settlement between the coal operators and their million striking employees was reached within forty-eight hours, thousands would face starvation, Premier Asquith has appealed to both sides to compromise. Food prices are advancing hourly. The abandonment of the freight schedules has curtailed milk supplies. Railroads are unable to fill freight contracts on account of lack of coal, and famine threatens on all sides. Both sides are still apparently determined.

A strikers' committee in meeting today, declined to accept the offer of the union trainmen to call a sympathetic strike. They passed a resolution declaring they desired to win the strike on its merits without outside assistance.

## ATTORNEYS TO MEET BOARD

Probable That Decision Will be  
Reached as to School  
Bonds Suit

Tonight the board of education will hold a meeting with City Attorney Heathman and Attorney R. Y. Williams to determine what steps can and should be taken now that the bond buyers have rejected the \$300,000 polytechnic high school bonds and the \$25,000 grammar school bonds.

City Attorney Heathman has been favorable to bringing a mandamus suit for the purpose of testing the points raised by the attorneys for the bond-buyers. Attorney Williams has stated that he considers it very doubtful if a favorable decision can be secured in the appellate court. Many have expressed the opinion that it is best to take the chance, and if possible secure the decision. The items of cost and the probabilities will be presented to the school board by the attorneys tonight.

### NAVY ASKS FOR SIX HIGH POWER WIRELESS STATIONS

WASHINGTON, March 5.—The Navy Department yesterday recommended to Congress an appropriation of \$1,000,000 for the establishment of high power wireless stations, one at the Ishman canal zone, one on the California coast, one at the Hawaiian Islands, one at Samoa and one at Guam and one in the Philippines.

## MORE RAINFALL IN 48 HOURS SAYS WEATHER CLERK

LOS ANGELES, March 5.—Forecasters today predicted more rain in the next forty-eight hours. Another storm centering in the Nevada desert will probably become central in Southern California tonight. He says the entire state south of the Tehachapi will be soaked.

### METHODISTS WANT BAN OFF OF THEATER GOING

CINCINNATI, O., March 5.—A movement to remove the ban of the Methodist Episcopal general conference from theater going was inaugurated by the Rev. W. E. Martin at a meeting of the Methodist ministers association yesterday, and received the endorsement of a majority of those present.

## Recall Pops Up For Long Beach Council; Mayor

LONG BEACH, March 5.—The city council this morning passed on final reading an ordinance abolishing the water commission, ending a long municipal fight. The first ward Civic Club immediately announced that it will invoke the recall for the entire council, which passed the ordinance unanimously, and also for the mayor.

## Bulletins of News

Hot from the wire up to 3:30 p. m.

**THE WEATHER**  
Rain tonight and Wednesday; light southerly winds.

**Recalled Mayor Up**  
For Mayoralty of Seattle  
SEATTLE, March 4.—In the municipal election to be held tomorrow, Hiram Gill, the recently recalled mayor, is a candidate for the mayoralty on the "reform" ticket. His opponent is former State Senator Cotterill. There is much enthusiasm and the registration has reached 74,000.

**Man and Wife and Three Children Burned to Death in Fire**  
BEAVER FALLS, Pa., March 5.—John Hengst, wife and three children, were burned to death in a fire destroying the boarding house of the Clydesdale Stone Company at Koppel, Pa. Two other children and fourteen boarders escaped.

**"Uncle Jim" Has Held Cabinet Office 15 Years**  
WASHINGTON, March 5.—James Wilson, secretary of Agriculture, yesterday broke all records for continuous service in presidential cabinets. He now has served fifteen years. The longest previous term was credited to Albert Gallatin, who was Secretary of the Treasury from 1801 to 1813.

**Secretary Knox Has Sailed for Corinto**  
SAN JUAN DEL SUR, Nicaragua, March 5.—Secretary Knox and his party left here at 9 a. m. on board a special train, arrived at Punta Arenas at 1 o'clock in the afternoon and immediately boarded the cruiser Maryland for Corinto.

**House Directs Probe Of Alleged Shipping Combine**  
WASHINGTON, March 5.—A resolution directing the committee on merchant marine and fisheries to investigate the control of shipping interests by a foreign combine was unanimously adopted today by the House.

**Party Asked to Quit By State Senate**  
JACKSON, Miss., March 5.—The state senate by a vote of twenty-six to thirteen today demanded that Senator Percy resign. The motion goes before the house tomorrow for concurrence.

**MINE OWNERS AND MINERS MAY AVERT INJURIOUS STRIKE**  
CHICAGO, March 5.—Representatives of bituminous miners and mine operators, meeting today in the second conference within two weeks, decided to call a wage conference in Cleveland on March 20, in an effort to prevent a strike which would involve thousands of miners and cripple industry in the Middle West.

**LOS ANGELES PIONEER DIES**  
Engineer Benjamin Colling Ran First Engine Between Los Angeles and San Pedro

LOS ANGELES, March 5.—Benjamin Colling, the aged engineer who operated the first engine between San Pedro and Los Angeles, died in his arm chair early yesterday, at his home, 889 East Forty-second street, while in the act of lighting his pipe. A heart attack was the cause. Captain Colling, who was seventy years old, had lived in Los Angeles for forty years. He was connected with the first development work of the harbor and of late years has been associated with former Governor Gage in ranch development. He leaves a widow and daughter.

**NOTICE TO SUBSCRIBERS**  
During the past four weeks a great many new subscribers have been added to the mailing list of the Daily Register. If any names appear incorrect on the paper, our subscribers are requested to notify this office. Or if the postoffice box, rural route or address is not correct, please notify us.

## DID NOT MAKE HAS WITHDRAWN THE LETTER PUBLIC ITS THREE DEMANDS

So Says Van Valkenburg as to Motion to Advise Patrons That Claims Were Illegal Was Not Passed

### CALIFORNIA CAMPAIGN FOR TAFT OPENED TODAY

Bristow Would Have Probe of Pernicious Pressure on Office Holders

SACRAMENTO, March 5.—V. S. McClatchy, editor of the Sacramento Bee, said with regard to Van Valkenburg's statement of the Roosevelt letter: "The letter was written during the inquiry I instigated as director of the Associated Press as to the correctness of a certain statement sent out by the Associated Press declaring on authority that President Taft had had assurances from Roosevelt of the latter's support in 1912. Roosevelt denied the correctness of this statement. Subsequent investigation demonstrated to the Associated Press management that, while the statement had been made to the Washington correspondent on very high authority, it had not been justified by the statements or assurances actually given by Colonel Roosevelt."

NEW YORK, March 5.—The World today prints an interview with E. A. Van Valkenburg, editor of the Philadelphia North American, in which Van Valkenburg is quoted as denying that he made public the Roosevelt letter in which the Associated Press was flayed by the Colonel. Van Valkenburg said the Associated Press dispatch last summer declared that Roosevelt positively pledged his support to Taft. On this Van Valkenburg corresponded with Roosevelt the denunciatory letter being the result. "I sent copies of the letter to McClatchy, editor of the Sacramento Bee, requesting him to furnish one to Frank Noyes, editor of the Washington Star, president of the Associated Press. No denial of the fact story was ever made by the Associated Press," said Van Valkenburg.

**TAFT MEN OPEN STATE-WIDE CAMPAIGN TODAY**  
SAN FRANCISCO, March 5.—Taft followers today inaugurated a state wide campaign for the President's renomination following two, enthusiastic meetings last night. They profess confidence that they will carry the state for Taft. Agitation has been started to make a slogan of the declaration of Colonel Charles M. Hammond, Colonel Roosevelt's brother-in-law, who is out for Taft. Hammond declared: "God makes a man's relatives but he chooses his own friends."

**BRISTOW WOULD HALT USE OF PRESIDENTIAL PATRONAGE**  
WASHINGTON, March 5.—Senator Bristow of Kansas yesterday offered a resolution in the senate to the effect that specific charges against the misuse of presidential patronage for or against presidential candidates be investigated. This move was called forth by the charges that postoffice inspectors are being used to coerce federal officeholders into the support of the president for another term. Letters are said to have been written to postmasters in the south threatening removal unless their support was positive for the president's renomination.

**JURY DISCHARGED IN GEO. KIMMEL CASE—DISAGREE**  
ST. LOUIS, March 5.—After deliberating seventy-three hours, the jury in the case wherein the relatives of Geo. Kimmell, a missing bank cashier tried to collect his life insurance, disagreed and was discharged. The jury yesterday repudiated the claims of A. J. White to be the missing man but was unable to agree as to whether Kimmell's mother and sister were entitled to the insurance.

**WILL PROBE SPHINX HEAD**  
Harvard Professor Will Open Huge Head of Egyptian Sphinx Seeking Treasure

CAMBRIDGE, Mass., March 5.—Prof. George Reisner, of Harvard, who is credited with solving the long-standing riddle as to whom the great Egyptian Sphinx represents, this month will try to wrest further secrets from the ancient monument. Last year in Egypt, Dr. Reisner discovered a hole, or pit, in the top of the great image's head, which is a likeness of Cephren, an Egyptian ruler. Believing that it leads to a cavity, perhaps containing treasures of unold value, the professor has gone to Alexandria, whence he will proceed to the Sphinx in a few days elaborately equipped for all work of excavation.

### WANT GAS COMPANY TO ISSUE STATEMENT

City Trustees Differ as to Procedure in Regard to the Corporation

The Southern Counties Gas Company was the subject of some scathing comment at the meeting of the City Trustees last night, and a resolution was all but passed rebuking the company severely. This resolution was worded and presented was to the effect that patrons of the gas company are warned not to pay any money on the three recent demands or orders of the company, one that hereafter the company shall be liable for the gas as users shall produce their \$5 meter deposit receipts, and the third that after the fifteenth of each month fifteen per cent shall be added to the bills of those who had not paid by that time.

The resolution was not passed, and in its stead went through a motion to have the gas company president or manager sign a statement for publication stating that the company has withdrawn from its demands. That the company had withdrawn was the gist of a statement made to the board by Frank E. Bain, president of the board, who said he was so informed yesterday afternoon by a gas official.

The gas company and its methods came up for fire when City Clerk Burke read two letters. One letter to him from F. E. Bain, president of the gas company, enclosing copies of a letter written by Bain to Street Committee Grubb. The latter letter stated that the company desires the good will of the people of Santa Ana, and in the matter of re-paying streets that are torn up in the work of the company, Bain said that it is the company's desire at all times to put the street back into as good condition as it was before it was torn up. "The company," however, had been delayed because it had not received an asphalt paving outfit, and the company would be pleased if the city would do the repair work and let the company pay for it.

Grubb: "Some of these holes were torn in the street four months ago. We have no plan to do this repair work, and if the gas company can get to outfit on long notice how does it think we can do on short notice? Moreover, it is not our business to repair the streets torn up. That company ought to be made to do it. It was reported at our last meeting that the company had an asphalt outfit, and would do the repaving at once."

Street Superintendent English: They told me that they had an outfit, and would do the work at once.

Grubb: "We can't accept their statement as to what they will do. I don't believe that they will do anything until I actually see them do it. I move that the city decline to do the repair work, and that the city demand that the gas company do it immediately."

The motion carried. By: "This afternoon after 3 o'clock, got a telephone message from a gas official in Los Angeles, saying that the orders given out here in regard to minimum and \$5 deposits were general orders, and will not apply to Santa Ana, except that the deposits will be required of residents who added in the last year the company lost 1800 in bills left by renters moving away. He said they had demanded of the Edison Company that it pay over the old deposits, but the Edison Company said it owed the money to the individuals, not to the gas company. He said his company would do all it could to assist Santa Ana, and wants its good will, and I told him his company is not in good standing, so any one can go and pay his gas bill and there will be no question as to minimum and deposits, except as to renters."

Grubb: "He said that to you over the telephone, and yet we have these written demands upon each consumer. In view of the excited condition of the people over this matter, I think it would be well to have the clerk publish a notice in each of the Santa Ana papers telling the people to disregard the notices and the fifteen per cent penalty, that they are illegal demands and need not be paid."

## POLICE OUTRAGES AT LAWRENCE NARRATED

Women And Children Clubbed And Thrown in Jail With Criminals—Brutality Almost Unbelievable

WASHINGTON, March 5.—Mrs. Taft was a spectator today when the Lawrence strikers resumed their testimony in regard to the alleged police brutalities, before the House committee on rules. Mrs. Taft frequently shuddered during the testimony. The first witness was Jane Brock, a member of the committee sent to Lawrence from Philadelphia to get the children. She declared the police and militia clubbed scores of helpless women and children. Tema Commita, another member of the Philadelphia committee, testified that she saw the police seize the children and throw them into patrol wagons. Congressman Berger stated that two women were too seriously injured to attend the hearing. Samuel Krebel of Philadelphia, testified that he saw a woman struck across the stomach with a club, and saw nursing children jailed. He testified that children were tried in the courts with the mothers, but no children were fined.

Krebel testified further as follows: "When I entered the station with the children the police immediately started their bloody work. They tore the children from their parents, and screaming and shrieking. I picked up four or five children who had been knocked down. A policeman then knocked me down and dragged me out into the crowd. I broke loose and went back. I saw one woman who was not even with the strikers, clubbed across the back and thrown into a patrol wagon. Then they arrested me. "I went to the station, and saw

women, children and babies crowded into cells like cattle. One Pole, who spoke no English, was in the cell with me. His wife was across the corridor, and he attempted to converse with her in Polish. The turnkey commanded silence, but the man misunderstood and continued. The turnkey then threw him downstairs and locked him in a dark cell in the cellar. The prisoner was given coffee, but no food. "After the trials many of the children were dragged from their parents and taken to the poor house."

A committeeman then asked if this was in the same jail where cut-throats and thieves were confined. The witness answered: "The same jail and the same barred doors, and none of these children was either bad or desperate."

Congressman Pou of North Carolina, then declared to Chairman Henry: "This is the most serious thing yet developed. I wish you to put everyone on the stand who knows anything about the jailing of the children."

Margaret Stangler, a New York nurse, testified when examined, that she had helped two shipments of children arriving here today from Lawrence. She said: "Their condition is pitiable. They are emaciated and unenriched. The majority are suffering with adenoids. Of the hundred and nineteen taken to New York for protection, only four had underwear, although the mercury reached zero. When we gave them their supper the children grabbed meat from the table in a pitiful manner."

from reports received from Chihuahua city, that as soon as the forces from Juarez have all arrived and the troops organized Gen. Orozco will march on the City of Mexico. Troops are constantly being recruited in Chihuahua and it is estimated there will be about 5000 men when he starts for Mexico City the last of the week. Chihuahua has practically revolted as a state against Madero, and it is expected this state will be the real headquarters of the revolution.

**DARROW MATTER GROWS INTENSE—NEARING CLIMAX**  
LOS ANGELES, March 5.—The impression is growing today that Earl Rogers, the attorney for Darrow, will refuse to accept the notes furnished by the District Attorney's office to augment the transcript of evidence taken by the Grand Jury indicting Darrow. This will be decided Saturday when the case is scheduled to be set.

It is believed Rogers will refuse. District Attorney Fredericks will then be compelled to demand the dismissal of the indictments and re-arrest of Darrow on criminal information.

**WOMEN THREATENED THE ROYAL PALACE**  
LONDON, March 5.—The municipal authorities threw a double line of guards about Buckingham Palace this afternoon following a renewal of threats of the suffragettes to burn the palace. King George and Queen Mary are now living in the palace.

The situation is most grave. The women have resumed rioting, confusing their activity to banks and public buildings. Mrs. Frederick Lawrence, an educated and wealthy leader, recently declared: "We will terrorize the country but we will get our rights even if we have to burn the royal palace."

## YUAN SHI KAI REPORTED INSANE

Mind May Have Broken Under Strain of Mutinies and Reign of Horror

### CHINA TERRORIZED BY BANDITS AND SOLDIERS

Outrages and Murders Prevail—Government Powerless—Dr. Sun on Way to Peking

Tokyo, March 5.—Persistent reports are abroad at Peking that President Yuan Shi Kai's mind has collapsed as a result of the Chinese mutinies. The foreign office agents predict a carnival of murder and rapine throughout China within forty-eight hours. Twelve hundred Japanese soldiers have been ordered from Port Arthur to Peking to guard the Japanese.

**SITUATION IS BEYOND GOVERNMENTAL CONTROL**  
SHANGHAI, March 5.—Outrages throughout Southern China are reported in a series of dispatches received here today. Bandits and soldiers are reported to be looting, murdering and violating women. The situation is beyond government control.

It is reported that the Foo has been looted and burned. Wires are down and the report lacks confirmation, but it is possible. Russian troops left Harbin today for Tien Tsin. Bandits are terrorizing the provinces of Kwang Tung and Kwangsi. Foreigners are taking refuge in the missions. Foreign warships are patrolling Southern China rivers but as the crews cannot penetrate inland, their presence is ineffective. No news was heard today from Dr. Sun Yat Sen who is en route to Peking from Nanking with two thousand veteran troops.

## SEATTLE HAS BIG ELECTION TODAY

Elects Mayor and Full City Ticket; Acts on Big Bond Issue, 27 Charter Changes

SEATTLE, March 5.—The most important election in Seattle's history is on today. The election of a mayor and a full municipal ticket, bond issues aggregating ten million, twenty-seven charter amendments, a single tax measure, and a dozen minor issues are involved. Hiram Gill, the open town advocate recalled a year ago, is opposing George F. Cotterill, a progressive Democrat, for the mayoralty.

### MAXIM LOOKS FOR BUT 3 COUNTRIES

Wolesley Anticipates That China and the United States Will Absorb All Others

NEW YORK, March 5.—Hiram Maxim, the inventor asserts that there will soon be but three countries in the world: The United States of Asia, including Europe; The United States of Africa and the United States of America. He bases his prediction on the rapid advance of Japan and the marvelous possibilities of China and her 400,000,000 people. He was ante-dated in his prophecy by another made by Lord Wolesley who recently told Maxim that there would be but two countries in the world, the United States and China.

### LOS ANGELES AHEAD County Draws More School Money Than Any Other County in the State

SACRAMENTO, March 5.—Of \$2,443,365 in money for elementary schools of the state, the apportionment of which was announced yesterday, Los Angeles draws by far a larger share than any other county because the school children of that county are most numerous and their average daily attendance is better. Los Angeles draws \$508,733 as against \$312,006 for San Francisco. Other Southern California counties are given the following amounts: Imperial, \$12,551; Orange, \$44,764. San Bernardino, \$69,991; San Diego, \$65,586; San Luis Obispo, \$64,921; Santa Barbara, \$52,000; Ventura, \$40,000.

## BOARD AGAIN PUT IN CHARGE

El Modena Irrigationists Held  
an Annual Meeting Last  
Saturday

There Was Much Substantial  
Development in the  
Last Year

EL MODENA, March 4.—The annual meeting of the John T. Carpenter Water Co., which supplies the El Modena ranchers with irrigation water, was held Saturday, and resulted in the re-election of the old board of directors. The reports showed substantial development during the last year. This whole vicinity has gone ahead rapidly, and the water company keeps pace.

The annual meeting was called to order by the president, J. C. Thomas. The minutes of the last meeting were read. A general statement follows:

| Assets                        |             |
|-------------------------------|-------------|
| L. W. Evans                   | \$ 3.55     |
| Hubert Isaac                  | 2.54        |
| Interest                      | 160.95      |
| Ditch cleaning                | 37.49       |
| J. T. Carpenter Water Co.     | 4.71        |
| Summers pipeline              | 12.25       |
| Expenses                      | 195.94      |
| Superintendent                | 153.29      |
| Reservoir, etc.               | 4,492.24    |
| Barham Ranch                  | 1,766.74    |
| Construction                  | 25,355.26   |
| Cash on hand                  | 378.93      |
| Total                         | \$32,473.87 |
| Liabilities                   |             |
| J. F. McCollum                | \$ .64      |
| D. Hewes                      | 1.44        |
| Mrs. Arballo                  | .50         |
| Geo. Southworth               | .08         |
| Bills Payable                 | 3,912.65    |
| Serrano Water Co.             | 80.06       |
| Assessments                   | 4,766.86    |
| Certificates                  | 6.75        |
| Profit and loss               | 7,906.69    |
| Profit and loss, B.R.H. Acct. | 10.00       |
| Capital Stock                 | 15,788.20   |
| Total                         | \$32,473.87 |

The undersigned, auditing committee have examined the secretary's books and find the above general statement correct, was the report of W. H. Flippen and M. S. Davis, committee.

C. F. Beymer, the superintendent, made a full report of work done, materials used, etc., from which the following was taken:

During the year there was laid 3990 feet of 10-inch pipe, 2000 feet of 14-inch pipe, and 3300 feet of 18-inch pipe. There are on hand with the ditch dug, 600 feet of 20-inch pipe and 800 feet of 30-inch pipe. The laying of this would have required the taking up of some of the Joint Water Company's line, which was not thought advisable with the then continued dry weather.

Labor—711 days work construction; 135 days team work; 24 days repair work; average price for labor, \$2 per day.

About 3 carloads of cement was used in making pipe. Some tools, etc., were purchased.

On motion the superintendents

## "Our Personal Guarantee to all Skin Sufferers"

(WINGOOD'S DRUG STORE)

We have been in business in this town for some time, and we are looking to build up trade by always advising our patrons right.

So when we tell you that we have found the eczema remedy and that we stand back of it with the manufacturer's iron clad guarantee, backed by ourselves you can depend upon it that we give our advice not in order to sell a few bottles of medicine to skin sufferers, but because we know how it will help our business if we help our patrons.

We keep in stock and sell all the well known skin remedies. But we will say this: If you are suffering from any kind of skin trouble, eczema, psoriasis, rash or better, we want you to try a full size bottle of D. D. D. Prescription. And, if it does not do the work, this

bottle will cost you nothing. You alone to judge.

Again and again we have seen how a few drops of this simple wash applied to the skin, takes away the itch, instantly. And the cures all seem to be permanent.

D. D. D. Prescription made by the D. D. D. Laboratories of New York is composed of thymol, glycerine, oil of wintergreen and other healing, soothing, cooling ingredients. And if you are just crazy with itch, you will feel soothed and cooled, the itch absolutely washed away the moment you applied this D. D. D.

We have made fast friends of more than one family by recommending this remedy to a skin sufferer here and there and we want you to try it now on our positive no-pay guarantee.

GET IN YOUR ORDERS NOW FOR BLACK DIAMOND AND UTAH COAL. We have also a good supply of dry wood—Walnut, Eucalyptus and Cypress. Both Phones 59.

Smiley & Smith.

Corner Fourth and Birch Sts.

High Grade Finishing Lumber  
Fine Mill Work. Cement, Roofing, Etc.

S. H. Pendleton Lumber  
Co. Mill Co.

## HOTELS FOR HEALTH RESORTS

LOST—RHEUMATISM AND STOMACH TROUBLES, FOUND—HEALTH AND HAPPINESS AT MURRIETA HOT SPRINGS, MURRIETA, CAL. America's finest sulphur and mud baths and swimming pool. Booklet at Information Bureau, or by writing, Fritz Guenther, Prop. H. Guenther, Manager.

and auditing committee's reports were accepted.

The question of co-operating with others in development of water, owing to lack of definite information, was merely discussed, as were also the matters of changing the present schedule, and the matter was left for the directors to act upon.

On motion the present board was nominated for election, and as no others were named the secretary was instructed to cast a ballot for them, and they were declared elected. They are as follows: J. C. Thomas, W. W. Perkins, L. J. Danner, R. W. Jones and L. W. Evans.

### FOR DYSPEPSIA

You Risk No Money if You Try This Remedy

—We want every one troubled with indigestion and dyspepsia to come to our store and obtain a box of Rexall Dyspepsia Tablets. They contain Bismuth-Subnitrate and Pepsin carefully combined so as to develop their greatest power to overcome digestive disturbances.

Rexall Dyspepsia Tablets are very pleasant to take. They tend to soothe the irritable, weak stomach, to strengthen and invigorate the digestive organs, to relieve nausea and indigestion, thus promoting nutrition and bringing about a feeling of comfort.

If you give Rexall Dyspepsia Tablets a reasonable trial we will return your money if you are not satisfied with the result. Three sizes, 25 cents, 50 cents, and \$1.00. Remember you can obtain Rexall Remedies only at our store—The Rexall Store, Wheeler & Mateer, 104 West Fourth street, Santa Ana, Cal.

Let us do your family washing, either rough dry or finished. It is quite reasonable in price. The People's New Laundry, 901 East Fifth street.

## REGULAR MEETING TOMORROW EVENING

The Santa Ana Y.M.C.A. will hold its regular weekly meeting tomorrow night in the south parlor of the First Presbyterian church. This meeting is a special one, being a roll-call of all members.

Prospective members are also invited and all such will be given an opportunity to join this splendid organization. It is the desire of Mr. R. J. Hamilton, the county secretary, that every available member should be present, as some important business will be discussed, and the program is a very attractive one. The meeting will commence at 7 o'clock, with an address by Rev. W. L. C. Samson on "How to Teach Next Sunday's Lesson to a Class of Young Men." The teachings of the lesson, such as this one promises to be, are very inspiring and helpful, and it would be well for any young man to come and hear them.

After this talk Mr. J. G. Morrow will give an address on "How to Make a Young Men's Class Go," which no doubt will be full of helpful suggestions. At 8 o'clock the meeting will adjourn to the basement for a social time, when everybody will be able to get better acquainted with present members and also to welcome prospective ones. Now, this is a fine opportunity to show the people of Santa Ana that we mean business, and to give them the impression that a Y.M.C.A. can be successfully run in Santa Ana with good results accruing.

## END STOMACH TROUBLE NOW

Dyspepsia, Gas, Heartburn, or  
Indigestion Go In Five  
Minutes

—As there is often some one in your family who suffers an attack of indigestion or some form of stomach trouble, why don't you keep some Diapiesin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy stomach five minutes after.

Tell your pharmacist to let you read the formula, plainly printed on these 50-cent cases of Pape's Diapiesin, then you will readily see why it makes Indigestion, Sour Stomach, Heartburn and other distress go in five minutes, and relieves at once such miseries as belching of gas, eructations of sour, undigested food, nausea, headache, dizziness, constipation and other stomach disorders.

Some folks have tried so long to find relief from indigestion and dyspepsia or an out-of-order stomach with the common, every-day cures advertised that they have about made up their minds that they have something else wrong, or believe there is a case of nervousness, gastritis, catarrh of the stomach or cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, gas and stomach poison, which putrify in the digestive tract and intestines, and besides, poison the breath with nauseous odors.

A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the stomach, is waiting for you as soon as you decide to try Pape's Diapiesin.

## 700 CARS OF FINE CELERY

Price of Fifty-five Cents Per  
Dozen Keeping Up to  
Season's End

Los Angeles Times: With celery bringing the highest price in the history of the industry, and 700 cars of select product shipped from the field, the celery growers of Southern California are closing their most prosperous season.

"We are now receiving 55 cents per dozen bunches of green top celery in the eastern market," said C. E. Johnson, secretary of the Celery Growers' association. "The best we have ever done before this was 35 cents a dozen. A car of our celery as it stands at the packing house in Smeltzer is worth \$600; the freight on it when consigned to New York is \$300. There is always a steady demand for celery in the winter back east. Like cranberries, celery is not so much a delicacy as a necessity, and the people will have it, no matter how expensive."

The celery fields which have produced this year's wonder crop comprise about 2000 acres of peat land lying between Huntington Beach and Santa Ana. Smeltzer is the center of the industry and the place where the big packing-house is located as well as the general offices of the Celery Growers' Association of Orange county of which 90 per cent of the growers are members.

"Although our celery acreage in Southern California has decreased some in the past two years, it was perhaps better for the industry as a whole, because the growers now realize returns much in excess of what they used to when there were 3000 and 4000 acres planted," said Johnson.

"Two things have combined to reduce the celery acreage: The encroachment of the lima bean and sugar beet growers onto the celery land and the keen competition Southern California is contending with from other celery-growing sections, like New York, Michigan and to some extent, Florida."

## SEVEN CARS IN THE TRAIN

Farmers Will Find Much Interest and Profit in the  
State's Exhibits

Further particulars of the farmers' demonstration train that will be in this county on March 8 and 9, on its annual visit, have just been received. This year the train is carrying seven cars devoted to many things that hundreds of people in this vicinity are interested in including horticulture, ranch products of various sorts and stock raising. Great attention is being given to actual instruction work, a corps of representatives of the University of California, who are sent out for this purpose, accompanying the cars.

The cars are arranged as follows, according to information that has just been received here:

No. 1 will contain an animal industry exhibit, showing advanced methods in breeding, care and handling of livestock. The matter of swine care is being given particular attention.

Car 2 is to be the veterinary science car, this to deal with various diseases of stock, taking up dairy sanitation and similar important subjects. Car 3 is the field crop division, devoted to cereals, cover and forage crops. Dry farming is one of the important features of this.

Car 4 has birds and mammals to deal with. Native birds and mammals of various sorts are exhibited, and how they affect the farmer, by hurting or doing good to crops and land, and means of wiping out those proving to be a pest are shown.

Car 5 is the horticultural car, showing methods of grafting, building and kindred operations, together with other phases of this subject. Car 6 is the poultry car, in which many of this section will be interested. Sanitation of poultry yards, diseases and care are taken up in this division.

The last car deals with public health, including the importance of the sanitary up-keep of the farm and similar matters.

The schedule of the train in this county follows:

Buena Park, March 8, 10:45 a. m. to 12 m.  
Anaheim, March 8, 1:15 to 5 p. m.  
Santa Ana, Mar. 9, 9 a. m. to 12 m.  
Smeltzer, March 9, 1 to 2:30 p. m.

## ECZEMA

QUICKLY CURED  
WITH "ZEMO"

A Trial Treatment For 25c

The makers of ZEMO—the celebrated eczema and skin cure—have placed on the market a trial treatment package consisting of a generous bottle of ZEMO, a trial cake of ZEMO SOAP and a 32 page booklet "How to Preserve the Skin."—This entire package to be sold at 25c, so that everybody can test the true healing and cleansing properties of ZEMO. We have received a good supply of these trial-treatment packages and urge all those troubled with Eczema, Pimples, Itching Skin, or any other skin or scalp disease, to come here and get the ZEMO trial-treatment. We heartily endorse and recommend ZEMO and ZEMO SOAP to all persons suffering from any form of skin or scalp trouble. It is a clean, soothing, healing wash and a sweet antiseptic soap that does not glaze over the trouble like salves, powders and greasy lotions, but penetrates to the very root of this trouble. ZEMO stops the itching at once and opens the pores and draws out the poisonous accumulations to the surface of the skin leaving it clean and healthy. Get a trial-treatment of ZEMO today—you'll find it the best 25c investment you ever made. Wheeler & Mateer's Drug Store.

## "BOY SCOUTS" NOT MILITARY

Secretary Hamilton of the Santa Ana and Orange County Young Men's Christian Associations finds an erroneous impression prevailing to the effect that the Boy Scouts movement is military in its nature. He says the leaders of the Boy Scouts of America insist that the movement is not military. Upon this point they have issued the following statement:

"The primary object of the Boy Scouts of America is not military, but peace scouting and educational character building for good citizenship. The military virtue of obedience, neatness, order, endurance and erect, alert bearing, are, however, scout virtues. It also appreciates the fact that boyhood properly developed and cared for will produce efficient material for the defense of our land if this should become necessary. Its aim therefore is to center its interests on the peace scouting activities that will fill up the recreation periods of a boy's life, and give him the training which is necessary to the development of an all-around man. Everything that tends to develop boys in this manner is good Scouting, and the Boy Scouts of America insist on the knowledge of campcraft, woodcraft, chivalry, life-saving, personal hygiene and patriotism being put into the boy's recreation education in right proportion."

Dr. Rossett & Paul, Dentists corner Fourth and Main Sts.

## FREE Skirt Making

Wednesday, March 6

From 10:30 to 5 p. m.

5 or 7 gore Tailor Made Skirts made free from any goods purchased in our store costing \$1.00 per yard or over. 500 ladies have taken advantage of this offer. Why not you?

## NEWS BUDGET OF FAIRVIEW

FAIRVIEW, March 4.—Light showers in this vicinity the past twenty-four hours have gladdened the hearts of many ranchers, with hope of more before the storm is over.

Mr. and Mrs. G. H. Hess and little daughter, Mary, of Garden Grove, spent Thursday with Mr. and Mrs. M. A. Baker.

Mrs. A. C. Pearson was a passenger to San Diego Saturday, where she will visit her daughter, Mrs. Bougher.

Mr. and Mrs. T. S. Harlin and family journeyed to Myford Thursday, where they visited with Mr. and Mrs. E. Salter, returning Friday.

Mrs. Enise Joseph, who has been ill the past week, is recovering very rapidly.

Mr. J. S. McKinzie is wearing a broad smile over the arrival of a fine baby girl on Feb. 29.

Services are continuing in the schoolhouse a few nights longer.

San Juan Hot Springs  
—San Juan Hot Springs Co. has just completed several new buildings. We are now prepared to accommodate all visitors. Stage will meet north and south bound trains on Saturdays and Tuesdays at 11 a. m. at Capistrano. For further particulars write San Juan Hot Springs Co., San Juan Capistrano, or Phone, Black 1446, Santa Ana.

Hold your order for the New Red the Fifth, the only car, with a self starter and right hand control, selling for less than \$3000.00.

### Ballot Box Notes

Have you looked over the standing of these popular candidates today? Think of it. This battle for ballots has been in full blast for the past six weeks, but if you will take out your pencil and subtract the difference between the leaders of today you will find that there is a close race on.

You will notice in today's score that Miss Lula McKenzie leads every contestant in the contest with a total of over 438,000 votes. Mrs. N. E. Todd made another big jump and landed in second place, with a total of over 387,000 votes.

Mrs. C. C. Ramsey crowded the ballot box yesterday with over 90,000 votes and now holds third honors with a grand total of 373,495. And right behind these neck-and-neck leaders comes Mrs. J. H. Harvey with over 372,000 votes to the right of her name. Close on the path of these vote-getting candidates is Mrs. J. Leslie Swope of Anaheim, Miss Pauline Jacobs, Mrs. Sam Preble, Miss Edith Stearns, Miss Lillian Yaeger, Mrs. Louise Berneke and Miss Mildred Curtis. All of the above mentioned candidates have passed the 200,000 mark and have good totals to their credit.

Notice is hereby given that the Santa Ana Machine Works has changed ownership, and that the present owners will not be responsible for any indebtedness contracted previous to February 1, 1912. W. S. PARKS & CO., Props., Santa Ana Machine Works.

# MATERIALS FOR MAKING CLOTHES

WE CANNOT TELL A BLIND MAN WHAT A RAINBOW LOOKS LIKE. WE CANNOT TELL YOU WHAT OUR NEW MATERIALS LOOK LIKE. JUST COME AND SEE OUR NEW GOODS. WE ARE ALWAYS VERY CAREFUL TO SELECT THE SHADES OF GLOVES, RIBBONS, BUTTONS AND TRIMMINGS WHICH HARMONIZE WITH OUR MATERIALS. LONG EXPERIENCE HAS TAUGHT US WHICH MILLS MAKE COLORS THAT WILL NOT FADE. WHETHER YOU BUY OR NOT, WE SHALL GLADLY SHOW YOU OUR NEW GOODS. COME TO SEE US.

### New Cream Woolens

Cream Woolens are right "up-to-the-minute" for Spring wear as tailored Suits, Coats, or one-piece dresses. Our new stock is now in and it is certainly a beautiful line. We show all the new weaves, such as whipcords at \$1.50, the late weaves in wide wale serges and diagonals, basket weaves at \$1.50 to \$2.50. In French and English serges we have all qualities at 75c up to \$2.00 yard. In lighter weight materials there are cream Wool Batiste, Nuns Veiling, Albatross, Poplin and others which we carry regularly in stock.

### New Spring Trimmings

Yes, they are in; fringes in black, cream, and all colors; ball fringe, beaded bands, net bands; and a fine assortment of all over lace for younglings. If you have been waiting for these, now is the time to get them.

### New Tissues 25c

Among the handsomest of the new Spring Wash Goods are these Cotton Tissues. They are midway between a gingham and a voile in weight—just right for a dainty wash dress. We have them in a big variety of plaids and stripes in the prettiest shades of blues, pinks, tans, and lavender. They are 27 inches wide, and priced at only 25c yard.

### Cotton Voiles 25c

Voiles will be strong this Spring; they are already a very popular fabric. For Spring Dresses we show a pretty line of fancy voiles in plain colors with self figures and hair line stripes. They come in green, blues and tans. 27 inch width and priced at 25c yard.

### New Marquisesettes

Cotton Marquisesettes are more in demand than ever this Spring. In white we have a big assortment of weights and widths in all degrees of fineness. Look at this range of prices: 25c, 35c, 40c, 50c and 60c. Surely you can find what you want here. And in colors we have them in all the best shades in a medium fine fabric, with 38 inches, at 35c yard. And we have a new, half silk one, white only, at 75c yard.

### Silk Gingham 25c

Our new silk gingham are certainly pretty; and what a range you have to choose from; pinks, dainty blues, tans, lavenders, and combinations in all kinds of stripes and plaids. This fabric is a little heavier than the tissues, with a dainty silk stripe running through it. Width 27 inches; price only 25c yard.

### FURTHER EVIDENCE OF THE GREAT VALUE OF CONTEST SCHOLARSHIPS

#### ORANGE COUNTY CONSERVATORY OF MUSIC

Mr. Percy Richards is at the head of the organ, harmony and theory departments of the Conservatory.

He held, until a few months ago, the position of organist and choir director of the First Presbyterian church in this city, but a call came from St. John's Cathedral in Los Angeles, which he accepted.

Besides receiving gold medal honors upon graduating from the Royal College and Royal Academy of Music in London, England, he also holds a diploma from the Trinity College of London.

Mr. Richards' work is marked by that uncommon promise, thoroughness and precision which is a characteristic trait of a true Englishman and the Conservatory feels a justifiable pride in numbering him in its faculty.

We have but one regret, and that is that more extended appreciation of the advantages for high class organ and theoretical musical study has not been shown. Perhaps, like our kindergarten department, this work must gradually grow into its own.

MR. PERCY RICHARDS

#### TESTIMONIALS

Office of Supt. Santa Ana City Schools.

Santa Ana, Calif., Aug. 21, 1911. It gives me much pleasure to testify to the work and worth of the Orange County Conservatory of Music. It is an educational institution of great merit and worthy the confidence and support of all those who appreciate the value of a musical education.

Very truly,  
J. A. CRANSTON,

Supt. of Santa Ana Schools.

To Whom It May Concern:

The splendid work done by the "Orange County Conservatory of Music" is personally known to me and therefore I have not the slightest hesitation in speaking a word of praise and good wishes in its behalf.

I believe that the ideals and hopes of its founder and director, Mr. Clarence Gustlin, bid fair to be realized beyond first anticipations, and surely the great success with which the Conservatory has met during its first year's existence would indicate the upbuilding of a musical educational institution of which every Orange County citizen may be justly proud.

Wishing it the broadest success possible, I am,

(Signed) Very truly,  
Z. B. WEST,  
Judge of Superior Court.

### Ketscher's Nurseries

Sales yard corner Third and Main, just south of the City Hall. Full line of deciduous, citrus and ornamental trees, fine assortment of shrubbery, vines and roses.

GEO. M. KETSCHER, Residence Phone, Red 801.

## GARDEN GROVE SCHOOL GROWS

New Room Fitted up and New Teacher Employed to Meet Increase

GARDEN GROVE, March 4.—The attendance at the school has so increased in numbers that it is necessary to fit up another room and have another teacher. One of the primary rooms has over sixty pupils. The new teacher has been secured.

On next Thursday evening, March 7, the MacWatters Quartet, which is assisting in the evangelistic services in Santa Ana, will give a sacred concert at the Methodist church in the place of the regular prayer service. An offering will be taken.

The Garden Grove Improvement Association was represented at Orange on Wednesday evening by S. Horowitz, J. A. Knapp, James Houghton and H. A. Lake.

Rev. T. J. Jones, the pastor of the Baptist church, has resigned and expects to return to his old home in Pennsylvania to remain. He came here about one year ago for his health, which has very much improved. The church here has improved under his leadership, and he will be greatly missed. Next Sunday, March 10, will be his last meeting.

The Southern California district conference, which was held recently at the Latter Day Saints church, was attended by a large delegation from all over Southern California. Among

### Georgia's State Chemist Praises Cottoleone

Mr. J. H. McCandless, State Chemist of Georgia, before a recent gathering, gave emphatic testimony to the high quality of Cottoleone. He said:

"The sale of this product (Cottoleone), and the proclamation that it is made from cotton oil, have done more to bring cotton seed oil truthfully and favorably before the public than anything else in recent history."

Mr. McCandless then pointed out why a pure, refined, vegetable-oil base, such as is used in Cottoleone, is the only assurance that a woman has of a clean, digestible cooking product.

the ministers present were I. N. White of Independence, Mo.; E. A. Smith of the first presidency of the church, whose home is in Lamolne, Ia.; Elder Holmes Davidson, and Elder Keeler. The music was in charge of Mrs. O. M. Clapp. The next conference will be held at Hermosa Beach in August.

The new house of Mr. Dungan is well under way on the Archie Moody place.

W. D. Junkin is remodeling and enlarging his cottage on Ocean avenue. A new cottage is being built on Acacia street by Mrs. Aaronholt near her present home.

The Garden Grove Improvement Association will meet at the Y.M.C.A. Hall Tuesday evening.

Mr. H. C. Powell had a bad spell with his heart last week.

S. Bohn is making arrangements to go to Inyo county soon. He will engage in farming there for this year.

Geo. W. Reeks was here from Los Angeles the past week visiting his brother, C. A. Reeks.

If You are a Trifle Sensitive About the size of your shoes, it's some satisfaction to know that many people can wear shoes a size smaller by shaking Allen's Foot-Ease, the antiseptic powder, into them. Just the thing for Dancing Parties, Patent Leather Shoes, and for Breaking in New Shoes. When rubbers or overshoes become necessary and your shoes pinch, Allen's Foot-Ease gives instant relief. Sold everywhere, 25c. Sample FREE. Address, Allen S. Olmsted, Le Roy, N. Y. Don't accept any substitute.

## ROOSEVELT GAINING

Recent reports received at the headquarters of the National Roosevelt Committee in Washington, show a steady advance in Roosevelt sentiment in practically all of the states. California, Ohio, Louisiana, Texas are lining up for Colonel Roosevelt and the sentiment in these states, expressed in various ways, shows a decided tendency for the Progressive cause.

Colonel Cecil Lyon, National Committeeman for Texas has telegraphed stating his position. He expressed himself as being heartily in favor of Colonel Roosevelt for President, and said he would do all in his power to secure a delegation for him. Over ninety per cent of the Republicans in Texas, Colonel Lyon says, are for Roosevelt. He states that there is virtually no Taft sentiment, except among office-holders, and that he expects every delegate from the Lone Star state will be for Roosevelt, under absolute instructions.

Pearl Wright, Republican National Committeeman for Louisiana states that if the State Central Committee of Louisiana will authorize a primary Colonel Roosevelt may count upon a solid delegation from that state.

Meyer Lissner, chairman of the State Central Committee of California, has telegraphed that out of 46 members of the committee asked for an expression of preference of Republican candidate for President, 34 have declared in favor of Colonel Roosevelt. Six have expressed a preference for La Follette, four for Taft and two for Cummins. Mr. Lissner states that in his opinion the Roosevelt sentiment in the State Central Committee prevails in the ratio of ten to one, which he believes is the fair expression of Republican sentiment in the state. "I feel confident and predict that the Roosevelt ticket of delegates to the National Convention will be endorsed by the Republicans of California at least two to one," says Mr. Lissner.

From Ohio, the President's home state, come advices showing that votes received from 85 out of 88 counties give Colonel Roosevelt an overwhelming majority. Test votes have been taken by several Democratic and Independent newspapers throughout the country and in practically every instance Mr. Taft has been snowed under by the adherents of Colonel Roosevelt as deeply as he was buried beneath the ballots taken by the Register and other Southern California newspapers.

Supporters of Colonel Roosevelt are working hard to capture the Tennessee delegation to the Chicago Convention. The leaders in this movement are optimistic, and state that they have a good chance of downing the administration machine.

## "BOB" TAYLOR RETIRES

Robert Taylor, who defeated his brother for governor of Tennessee because he was a better fiddler, and who now is United States senator from that state, has announced his determination to follow the example of "poor old Ned" and the St. Louis Republic thus bewails the circumstance.

"First while famous for playing his fiddle, his bazoo and 'harp of a thousand strings like the spirits of men just made perfect,' Bob Taylor of Tennessee, 'Fiddling Bob,' indeed disdresses us with the announcement that he has quit his fiddle and will never play again. We might spare his other musical accomplishments with better grace.

"As a fiddler, Bob Taylor was essentially the best of Democrats. He was the exponent of Jeffersonian simplicity in melody. He was on record against the high-falutin Hamiltonian pretense of which he denounced 'grand opera' as the epitome, and he hated the affectation of violin virtuosity typified in Yanny Kubelick as being contrary to nature. He revealed in a good old time, pronounced 'toon' and not 'town,' and as we have delighted to note here this, he would leave his horse hitched at a camp meeting and waltz fifty miles to play 'Turkey in the Straw,' and call the numbers for a barn warning.

"Sugar in the Gourd," "Rabbit in the Brier Patch," and "Leather Breeches" were included in his repertoire, all learned by ear, and with plenty of resin on the bow, which was a principle of his, he could make his fiddle outsing a sawmill and tickle the heel of a negro a half mile away into a syncopated spasm. Bob Taylor could cast out devils with his music. He could cure human misery. He could charm a soul. He could win a vote. He could make even a standpatter dance."

No Taft Votes  
On First Choice

## Roosevelt Is The Favorite

Press Presidential Primary Now  
Stands: Roosevelt 670, Taft 261,  
La Follette 225--To Poll  
County Committee

FROM THE RIVERSIDE PRESS.

The remarkable feature of the balloting this week in the Press presidential primary is the fact that no first choice votes were received for Taft. He was the second choice of several who voted for Roosevelt, but no first choice votes were sent in for any one except Roosevelt.

Following is a summary of the vote as it stands up to noon today:

| FIRST CHOICE                  |     | SECOND CHOICE     |     |
|-------------------------------|-----|-------------------|-----|
| Theodore Roosevelt            | 473 | James R. Garfield | 1   |
| William H. Taft               | 162 | Senator Cummins   | 1   |
| Senator La Follette           | 29  | Frank J. Hanly    | 1   |
| W. J. Bryan                   | 2   | Champ Clark       | 1   |
| TOTAL FIRST AND SECOND CHOICE |     |                   |     |
| Roosevelt                     | 670 | Taft              | 261 |
| La Follette                   | 225 |                   |     |

Next Friday the Republican county committee will meet and the Press will arrange to take a poll of the members of the committee on the matter of presidential preferences. The result of this poll will be included in the totals announced next Saturday and will also be given separately. This expression of sentiment should stimulate interest in the balloting next week. Unless the county committee should decide to reconvene the county convention the polls may close next Saturday noon. If the convention is called, the balloting will be continued until after that is held in order to poll the convention. The latest report on the ballot that is being conducted by the Redlands Review is as follows: Roosevelt, 114; Taft, 52; La Follette, 37.

"NOTHING DOING" BY ROOSEVELT  
IN THE WAY OF THIRD PARTY

BY THE NATIONAL ROOSEVELT COMMITTEE

Col. Roosevelt has no intention whatsoever of forming a third or "people's party," in the event the Chicago convention fails to name him as the candidate of the Republican party. Statements recently made that the former president would take such action are declared to be without foundation.

That such a proposition has been made to Col. Roosevelt is not denied. It is stated that the activity of the administration nomination campaign managers, in making use of the "steam roller," caused several admirers of Col. Roosevelt to fear the Chicago convention would be "packed," and that the popular will of the people would find no expression there. In this event, it was asserted, it would be well to give the people a chance to express their sentiments at the polls, an independent party being formed to place Col. Roosevelt's name before them.

From an authoritative source, it was learned today that Col. Roosevelt did not look upon the proposition with favor, and in effect stated that such proceeding was out of the question.

It is a known fact that acting on the advice of "Uncle Joe" Cannon and Senators Crane, Penrose and Smoot, Representative McKinley, chairman of the Taft campaign committee, has caused orders to be sent out to federal officeholders in the states that they must rally to the support of the President or look for other jobs. The recent holding up of

HAS WITHDRAWN  
ITS THREE DEMANDS

yourself by passing a resolution."

Grubb: "How could it be libel when the official himself admits the demands are illegal? All I want is to let the public know that these demands are bogus, a bluff. It is not the duty of this board to help that company collect its bills any more than it is to help the butcher or the candlestickmaker. Why don't they discount

their bills to get prompt payment? I would like Col. Heathman to dictate a resolution that would cover the point, but not be libelous."

Heathman: "All right, here it is: 'Resolved by the Board of Trustees of the City of Santa Ana, That it is the sense of this board that the claim of \$1 minimum and the requirements of deposits and fifteen cents above the \$1 rate for gas are all illegal and are not based on law, and therefore the board advises the patrons of the Southern Counties Gas Company not to pay any of said illegal demands.'"

English said that in the last week two of his renters had gone away without paying their gas bills. McPhee: "The company now knows it cannot collect over the minimum of fifty cents. The colonel said last Saturday to me that the gas company could legally require these deposits."

Heathman: "That was before I read of the appellate court decision." Alderman: "I move that instead of a resolution that we ask the gas company official to make in writing the same statement be made to Mr. Ey. The clerk can give that statement to the papers for publication, and it will cover the same point thoroughly and satisfactorily."

The motion carried.

Map Is Accepted

A map of the subdivision of a tract bounded on the north by Chestnut avenue and on the west by Orange avenue, running east to Hickory street, was presented by R. J. Blee and accepted. Streets will conform to streets on the north and east. There will be a driveway on each side of the P. E. Streets will be put to grade except that on the west side of the tracks, which is already a deeded street.

Street Sweeper

Grubb reported that parts of the suction street sweeper need replacing. The builder of the sweeper, Pollard of Long Beach, recommended a number of changes that he would make for \$125. With the wheels now on and the proposed re-

pairs, Pollard thought the machine ought to last five years. The proposal was accepted at \$125.

## Bids Are Opened

Clerk Burke opened bids for a new auxiliary water plant as follows: United Iron Works, \$870, for pump only; Interstate Electric &amp; Manufacturing Co., \$76,776 and \$16,620; Pacific Gas Engine Co., \$9673; Pacific Coast Manufacturing Co., \$21,915 and \$20,915; Fairbanks-Morse Co., \$8000, \$8800 and \$9000; Commercial Engine Co., \$11,265.30; Smith, Booth, Usher Co., \$19,500, \$18,900, \$21,037, \$22,370 and \$22,926; Vix Engineering Co., \$17,555 and \$21,055. The bids were taken under advisement to be investigated by a committee consisting of Water Superintendent Reid, Alderman, McPhee and Greenleaf.

## Petition Read

C. Y. Martin petitioned for a permit for a sales yard of second hand lumber and galvanized iron to be located at the northeast corner of Third and Sycamore. He said he had bought the soda factory at Aliso and would wreck it and sell it. He asked that the city remove the hitch-racks, clean the manure from the lot and fill the holes. The matter was referred to a committee of Alderman, Greenleaf and Grubb.

## Up to Owner

Second reading of the amendment to the poolroom ordinance was made. This amendment makes the proprietor and employee responsible, with a \$25 fine on first offense, and the taking of his license on second offense. Boxball and bowling alleys are put in the list with poolrooms and billiard halls.

Alderman, McPhee and Ey voted aye on the amendment. Greenleaf voted no. Grubb voted no and said the reason was he had heard no complaint against the boxball alley and did not want to include boxball. The law goes into effect in thirty days.

In regard to the request of Attorney Spencer for a reduction of the back taxes and penalties for the Riverine property, Alderman moved to deny the request. On the city attorney's request, action was deferred. Grubb said the city needs a new street sprinkling tank, which would cost about \$225, making three tanks. A motion to advertise for a new tank was carried.

There is a tank in the city barns that should be returned to the owner, Barto. The street superintendent is to attend to the matter.

The Miles Shoe Co. asked to put up a corrugated iron roof back of his

store. The request was granted.

The board adopted a list for a number of new street lights to be installed.

Alderman said that the neighborhood of Sixth and Bush streets prefer to have Tungsten lamps on Bush at Fifth, Sixth and Seventh, on Sixth and Main and on Spurgeon and Sixth in place of the arc at Bush and Sixth.

The suggestion carried.

The meeting adjourned to March 11 to receive bids for the laying of sewers in the Artesia district.

SUMMER SESSION FOR  
SOUTHERN UNIVERSITY

LOS ANGELES, March 5.—The University of Southern California has just issued a special bulletin announcing the interesting program of courses for its summer session, which begins June 24th and continues six weeks. Courses are designed to meet the needs of including students as well as undergraduates, teachers of all grades, and persons desiring auditors to attend lectures without doing full work. Candidates for the University recommendation for the high school certificate may pursue work during the summer session.

In addition to an unusually full quota of departments represented, several attractive innovations are introduced this year. Mrs. Gertrude Parsons will direct courses in public school music, including applied Harmony and Chorus Practice, and will present at least three first class entertainments during the session. Principal J. B. Lillard will direct work in theoretical and Applied Agriculture, and will be assisted by C. E. Palmer and S. B. Hall, experts in this field. The courses in zoology will be under the direction of Dr. Charles L. Edwards, at the University Marine Biological Station at Venice.

## Shake Off Your Handicap

—What's the use in going through this world with a weight around your neck, dragging you down and curbing your success. Buoyant, vigorous health is your just right—and you can have it.

Here is a suggestion for you. Let harmful drugs go—and take Nature's remedy—Brackett's System Builder—a scientific compound of 10 different herbs. No remedy like it has ever been compounded. As if by magic—it just puts the entire system in unison—sets every organ of the body in perfect working order—sends rich red blood bounding to every part of the system—gives you an appetite and a wonderful digestion, increases your capacity for success because it removes your handicap. Get it—try it. 50 doses 50c, 6 boxes \$2.50. At all druggists, or Wheeler &amp; Mateer, special agents.

The Kenton Grocery  
220 E. 4th. Both Phones 54"WHAT IS BEER" HAS  
BEEN DETERMINED

Pure Food Board Decides Mixture—Findings Lay Down Rules About Near-Intoxicant

WASHINGTON, March 5.—"Beer is a beverage made of barley, malt and hops, yeast and potable water." is the conclusion of the pure food board that has been considering the mooted question, "What is beer?"

The findings detail at length the time that beer must be kept before it legally may be called beer. In addition, the board will bar all beers bearing names designed to convey the impression that the fluid is imported unless it actually has been brought from abroad. The brand must convey the name of the place of origin.

## ASK MR. BROWN

Here's Some Important News  
for Men Who are Growing Bald

People who have taken our word for it that PARISIAN SAGE is the real hair grower, beautifier and dandruff cure have never been disappointed. Here's the word of a person who took our word:

"I have been using PARISIAN SAGE about a year. When I began to use it I had only a light 'fuzz' on my head. Now I have a good thick growth, and it is growing thicker and longer right along. Many people don't believe it can be done, but I know from my own experience with PARISIAN SAGE that it can; I recommend it in the fullest confidence."—Gaines Brown, 708 North Filmore St., Maryville, Mo.

The above statement was made to Dr. C. D. Koch of the Koch Pharmacy, Maryville, Mo., April 29, 1911. Large bottle 50 cents, at Rowley Drug Co., and druggists everywhere. It is guaranteed.

## NOTICE OF BIDS

The Board of Trustees of the City of Newport Beach invites sealed bids on the driving of a well at the water plant. Figures to be named on both ten and twelve-inch bore and with both drive and screw casing. The city to furnish the casing in either case. For further particulars consult Superintendent of the Water Department. Bids to be in the hands of the clerk by 7:30 p. m., March 11, 1912.

The Board reserves the right to reject any or all bids.  
L. S. WILKINSON,  
Clerk.

## Doings In Social and Club Circles

### MacWATTERS QUARTET

Young Men Singers Will Give Concert This Evening at First M. E. Church

The MacWatters Quartet will give a popular concert tonight at the First Methodist Church. A silver offering will be taken at the door.

This quartet has just completed one of the most delightful and successful evangelistic campaigns ever held in the First M. E. church. Three of the members of the quartet are graduates of Boston University School of Theology and the other member is a graduate of the New England Conservatory of Music. The old hymns of the church have been used during the revival and given new value, and the preaching has been earnest and sincere. Sunday night the church was filled in spite of the storm, and great interest manifested. The response of the people to the appeals of the speaker was gratifying.

This week the quartet will be engaged in concert work and next Sunday night will begin a series of meetings in Orange.

In addition to popular and humorous quartettes, solos and duets to be rendered in the entertaining style which has won the quartette so many admirers here as elsewhere, there will be readings and character sketches by Mr. Thomas, the quartette member who is an accomplished reader and impersonator as well as a humorist.

The work of this quartette in secular entertainment, ranks with the best in the East where it is best known, so there is really a treat in store for all who may be fortunate enough to hear the quartette tonight.

### Birthday Dinner

A pleasant surprise was given Mrs. Leonard Parker last Sunday, when a delightful turkey dinner was given in her honor at the home of Mrs. George Buckman, 841 East Washington street. The event was in celebration of Mrs. Parker's birthday, and Mrs. Buckman, and Miss Ethel Parker were hostesses.

The two-course dinner was served at 1:30 p. m. and the dining table was prettily decked with smilax and violets, place cards of violet design completing the color scheme. A birthday cake with candles was a conspicuous decoration of the table.

The invited guests were Mr. and Mrs. Leonard Parker, Messrs. Roy Parker, George Buckman, Messdames O. Hamby of Orange, Roy Parker, George Buckman, Messdames Pyles and Alley of Los Angeles, Messdames Harry Hamby, Llewellyn Parker, Mary White, Misses Ethel Parker, Rose Coddie, Hattie Layton, Melba Chandler, Harold and Jack Buckman, Master Raymond Parker.

### Theater Supper

A delightful after-theater supper was enjoyed at the Dragon last night by the members of the Paris Operatic Concert Company. C. A. Gustlin and Miss Velda Medlock. The supper was served in the Dragon balcony, the round table being handsomely decorated in frescos and greenery.

### Travelers' Club

The ladies of the Travelers' Club, Number One, of the Ebell Club, were out in goodly numbers yesterday afternoon.

We can hardly resist a kind of "I told you so" feeling this morning after the magnificent concert given by the Parisian opera singers last evening before an audience that was anything but a credit to Santa Ana.

The reason for this is quite comprehensible and lies chiefly in the disappointment occasioned by the failure of the opera, "Lakme," to fulfill its representations.

This is why we are hereafter going to spare no effort to fully inform ourselves as to the merits of a musical attraction before lending it our endorsement.

Our recommendation must be as nearly anonymous with a guarantee of excellence as is possible.

### OPERATIC CONCERT

Extraordinary Singing in Concert Given Last Night by Paris Concert Company

Rarely, if ever, has Santa Ana heard such wonderful music as that so splendidly given to an appreciative audience at the Grand Opera House last night by the Paris Operatic Concert Company. This magnificent aggregation of artists more than fulfilled every promise made by the management, and more than met the fondest expectations of those who had expected most. Whether in ensemble, solo or duo, each singer sang with dramatic fervor and tonal purity that was absolutely satisfying. Minor details such as stage costuming particularly being effective.

George Mascall sang the spirited prologue to Cavello's Pagliacci with abandon and power, the famous golden quality of his marvelous baritone being almost as richly apparent in this than in his second Herod solo; the latter being a noble piece of singing and intensely dramatic. An interesting piece of information whispered about through the audience lent in special interest to M. Mascall's magnetic personality last evening. The 14th of news was that Mascall had yesterday signed up with Mme. Luisa Tetrazzini for the remainder of her season. It is understood Tetrazzini, her manager have been for some time anxious to secure Mascall, whose fine physique and resonant voice make him a striking figure of the operatic stage.

M. Affre is the possessor of a pure tenor that is as musical as it is powerful, a rare combination, strength of vocality usually indicating lack of tonal sweetness. His majestic tenor fairly revels in the robust passages, and is like a clarion call, strong, piercing, yet sweet. Whether he was more happy in the part of Raul in the Huguenots or as the Duc de Mantua in Rigoletto is hard to decide, as he was so wonderfully fine in both.

Mlle. Tarny has a rich contralto voice that is alluring and full of possibilities. It was at its best when she sang the seductive Madeline numbers in Rigoletto, although she acted with intensity and sang beautifully in La Favorite. Mme. Richardson's voice is a soaring, pure soprano that revels in the arduous, is melting in sorrow and altogether charming. Her dramatic powers were powerfully shown in the roles of Salome and Valentine.

It would have been a pleasure to the audience last night to have heard more of Mlle. D'Ambigny's delightful mezzo soprano beautiful quality did it reveal in her solo in La Ruy-Blanche Herodiade. The timbre of her voice is extraordinary and the tones are unusual in steadiness and purity. M. Pointel was a master accompanist and director, and would put many an orchestra to blush as a support to singers.

The operas from which selections were taken last night were Cavello's Pagliacci; Donizetti's La Favorite; Massenet's Herodiade; Meyerbeer's The Huguenots, and Verdi's Rigoletto, and every selection was a gem splendidly interpreted.

To C. A. Gustlin belongs the credit of bringing this sterling attraction here and these who enjoyed the glorious musical feast of last night are sincerely grateful that such an opportunity was offered to Santa Ana.

### Club Meeting Tomorrow

The Young Ladies' Travel Club will meet tomorrow afternoon at 2:30 o'clock at the home of Mrs. Howard Turner, 410 South Broadway.

### Travel Section Met

Travel Section, Number Two of the Ebell Club met yesterday afternoon with Mrs. C. W. Burns, with a good attendance and pleasant meeting.

The subject was "Southern California and Arizona." The president, Mrs. Croce, read an article on the endowment of the Federation of Clubs. There is an effort being made to raise an endowment of \$100,000.

### Parent-Teachers

The High School Association will meet tomorrow afternoon at 3:15 o'clock in room 21 of the Commercial High School building.

The program will embrace a paper on "Efficiency in High School Work," a discussion on "High School Social Functions," and a paper on "The School Text Book Question in California."

### Dinner for Deputies

County Assessor James Sleeper entertained his seven field deputies at a dinner served yesterday at twelve o'clock in the balcony of the Dragon.

### "The Squaw Man"

"The Squaw Man," which is a play of compelling interest, will be given at the Grand tonight, and inquiries for seats for this famous play, in which so many elements of romance reside, have been made.

The play has been attracting big audiences wherever played, and is full of dramatic situations.

## Boys' New SPRING SUITS

## Vandermast & Son

110 E. Fourth St.

hair ferns. Miss Covington caught the pretty bouquet as the bride tossed it among a bevy of fair girls after the ceremony. Mrs. Ray Petty sang "Oh, Promise Me," and Harry Warner played the wedding march. The house was charming in decorations of dainty white blossoms and greenery, and a wedding bell of the same white flowers and smilax was pendant over the bridal couple as the solemn marriage service united them for "better or for worse."

After viewing the magnificent array of cut glass, silver and linen that bore testimony to the love of a legion of friends, the wedding guests were served with delicious ice cream, cake and mint, Mrs. Gray cutting the bridal cake, of which all had a portion.

At 9:15 the bride and groom and the twenty or more guests from Los Angeles, took their departure amid a shower of rice and a chorus of loving wishes and good-byes.

After two days at the Glenwood Riverside, Mr. and Mrs. Gray will leave for Ardmore, Oklahoma, where the groom has a pasture. Hundreds of friends will wish them happiness and prosperity in their new Southern home.

## Personals

Mrs. Dean Starratt of Claremont is here this week visiting her mother, Mrs. Louis Petersen. She expects to return to her home in Claremont on Thursday next.

Mr. and Mrs. John Wesley Traylor and little son, John, were over-Sunday guests at the J. P. Baumgartner home, coming down from Pasadena with the Baumgartners. Saturday evening on the return of the latter from a motor trip to the Crown City, Mrs. Claude Lindsay and baby are here for a two weeks' visit. They are guests at the W. S. Lindsay home on East Fourth street. Mr. Lindsay accompanied them here, but has returned home.

Mrs. Harry Thatcher went to Los Angeles today to attend a Mills College luncheon.

J. P. Hatfield left this morning via the Santa Fe route for his old home in Louisville, Ky., to attend the funeral of his mother, who passed away yesterday morning. He expected to be gone about three weeks. Mrs. Hatfield will stay with her mother, Mrs. M. V. Lyon, during her husband's absence.

Mrs. C. D. Lester was a Los Angeles visitor today.

John Crawford and Phillip Ebell, of Tustin, were passengers on the 8:15 car this morning.

Dan Thomas was among Santa Anans in Los Angeles today.

D. L. Anderson had business in Los Angeles today.

Rev. J. A. Stevenson and son Donald went to Los Angeles this morning.

John Beatty had business in Los Angeles this forenoon.

W. L. Deimling was a Los Angeles visitor today.

Sam Tustin was a passenger on the 9:10 car.

Dr. M. A. Menges went to Los Angeles this morning.

Phillip D. M. Lord left this morning for San Francisco, after a two or three days' visit here. Mrs. Lord will not return home until Sunday next when her mother and sister, Mrs. Petersen and Miss Vima Petersen, will return with her.

Mrs. Pangburn is visiting her friend, Mrs. Dr. Spaulding. The two are old friends, formerly being friends in Iowa. Mrs. Pangburn is awaiting developments in Mexico before starting on a visit to her son who is in that troubled republic.

Was Your Baby Born Since January 1st 1907?

**CROOKSHANK-BEATTY COMPANY.**

The noted Elise hats for Spring and Summer, will be on display during our opening Friday and Saturday, March 8 and 9. The Misses Ruthford.

## SANTA ANA WON SATURDAY'S GAME

Great was the joy of the Santa Ana high school baseball team when the score stood 3 to 1 in their favor at the game last Saturday between Santa Ana and the Sherman Indians. The game was considered the best of the season by all who saw it. It was plain from the start that the Santa Ana boys would win, although the Indians are a pretty fast bunch.

## WERE GLAD TO SEE AFTERNOON SHOWER

With less than six-tenths of an inch for the storm since Sunday evening, ranchers were glad to see a shower at 2:15 o'clock this afternoon. They are anxious for at least another inch of moisture at this time.

## NO REDUCTION IN ORANGE GAS RATE

Orange News: The report that the Southern Counties Gas Company had reduced the rate in Orange to \$1 has proved to be without foundation. The company announced that hereafter the minimum charge for gas would be \$1. Heretofore it has been 50 cents. The announcement was mistaken by a number of persons to mean that the rate for 1000 cubic feet of gas would be \$1. The change means that no one will be given gas service at a rate of less than \$1 monthly.

The report that a dollar rate had been granted Orange received circulation in Anaheim and stirred up much indignation there. The fight to reduce the rate from \$1.25 to \$1.00 in Anaheim, Fullerton and Orange has recently been dropped.

The People's New Laundry is now turning out work that is near perfection. Try us once. 901 East Fifth street. Both phones.

# The Northern Part of the County

## INSTITUTION OF INTEREST

ANAHEIM, March 5.—An institution of which Anaheim and Orange county also, may well be proud of is the Anaheim Sanitarium which has recently been completed at a cost of \$40,000. The sanitarium is located at the corner of Chantres and Hermina streets, and its buildings and grounds are very attractive. The sanitarium has been occupied since the first of the year and has been doing a first class business from the start.

The sanitarium was organized among citizens in and near Anaheim and only a small amount of stock sold to each person. In this way interest in the sanitarium is felt by all. Over \$10,000 has been spent in the equipment of the sanitarium and everything is of the best for the proper and best care of the patients.

Several novel improvements in sanitariums and hospital equipment have been installed here. One thing of interest especially is the silent signal service. With this service there are no noisy bells to ring. Instead a button is placed at the edge of every bed and when the nurse is wanted the button is pressed and this turns on a red light over the patient's door. Another red light is shown on the signal board opposite the patient's room number, and also a light at the secretary's desk. None of these lights can be turned off without going to the patient's bedside.

The baths of the sanitarium are also noteworthy, as every kind is used here. These are located in the rear rooms of the building. Here are found all kinds of baths, both hot and cold water, massage treatments for treatment of neuralgia, muscular rheumatism and impaired circulation.

Another feature is the heating and cooling plant in the basement whereby any part of the building can be kept at a certain temperature, and the air can be changed every ten minutes. This air which is taken in goes through a filter which removes all of the dust from the air and which adds or takes moisture from the air as may be necessary. This appliance is of much benefit to patients who suffer from affected air passages.

Quietness is another factor of importance in this sanitarium, and this is aided by the "glimmer" system of small electric lights throughout the building operated by a single switch, is turned on and sufficient light is always afforded so that one can always find their way.

The building includes a basement for the heating and supplies department. The first floor contains the business office, reception room, drug supplies and prescription room where many of the prescriptions are prepared. It also contains operating rooms and offices. The dining room for nurses and patients is also on this floor.

On the second floor are many large bright bedrooms arranged for the comfort of the patients. On this floor also is the large sun room for convalescents where they may see the beauties of Orange county.

On the third floor are located the rooms of the nurses, and several other sky rooms. A hearty invitation is extended to everyone to visit this institution between the hours of 2 and 4 p. m., when attendants will be glad to show you around.

### HELPED CELEBRATE SEVENTH BIRTHDAY

ANAHEIM, March 5.—The friends of little Miss Lillian Hartfield dropped in to help her celebrate her seventh birthday.

**FREE**

**Pioneer ROOFING**

This book tells about the origin, the history of Pioneer Roofing; the different weights, grades and finishes—and the class of buildings each particular grade is intended to cover. Gives illustrated directions for laying Ready Roofing—and much other information of value to prospective builders.

Copy of booklet, and samples of Roofing, mailed on request.

**PIONEER PAPER CO.**  
LOS ANGELES

Pendleton Lumber Company, Distributors, Santa Ana, California

### HILL'S CORNER

We have made and sold since Jan. 1st more 4-inch and 6-inch irrigation pipe than ever before during the same length of time since we began making it, and we are well prepared to "keep it up" during the season.

We are making all kinds of galvanized iron tanks from five gallons to one thousand gallons and we are prepared to furnish larger tanks at short notice.

#### ASK FOR PRICES.

We make to order all kinds of gates for wood or cement ditches and stand-pipes; tappoons and tubes for earth ditches. Most of these things are kept in stock.

If there is anything you want that is made of galvanized iron or that ought to be made of that material, and if in looking around you don't see it

#### ASK FOR IT.

We have as many men at work in the Plumbing and metal working trades as all the other shops in Santa Ana.

213 East Fourth St.

S. HILL & SON.

## TELLS OF ORANGE COUNTY DRIED FRUIT ASSOCIATION

The following articles concerning the Orange County Dried Fruit Association, written by Dr. J. G. Bernicke, corresponding secretary of the association, appeared in the California Farmer, a Sunday magazine section appearing with the San Jose Mercury.

The first apricot orchards were planted in this county some 30 years ago, and one of the first two growers is still living and is a member of the Association. The son of the other is one of our directors. Some 20 years ago an organization was started; it failed. Again about eight or nine years ago it failed. In the face of these failures it was no easy matter to talk association. It was quite common to hear: "You can get the orange growers together, but not the apricot growers."

In the fall of 1909 some dozen or more apricot growers formed a loose and temporary organization, by pledging each other not to sell their dried fruit below a certain price, viz: 8 cents. Very soon the price went from 7½ to 8 cents. Those who wished could sell. Others pledged not to sell below 9 cents. When that price was reached, those who thought that they ought to get 10 cents agreed to hold for it, and most of them got it. Two failed for various reasons, and later took much less. Two growers were made a committee to look up associations outside of Orange county, and report with a view to a more permanent organization for the next year.

That year the prices paid for fruit in Orange county (orchard run, sacks furnished by the buyer) was about 6 cents to 10 cents, average about 7½ cents. The previous year 5½ to 8 cents, average about 6 cents. While the apricot grower was getting these low prices, the consumer in the east was paying a good price, varying by localities, 15 to 40 cents a pound. There was also the great difference between the low price paid to some growers and the much higher price paid to others.

Now here were three considerations that became factors in the formation of the apricot growers' organization. First, the success of getting a better price attained by some growers through a simple agreement to hold. Second, the high price paid for dried apricots by the consumer in the east as contrasted with the low price paid to the producer. Could the producer not get a larger share? Third, the great difference in price attained by different growers for fruit of equal merit. Could there not be a more uniform and better price for all?

As spring approached inquiry began: "What had the committee learned concerning organizations elsewhere? Was it not time to call a meeting of the growers?" Nothing had been learned. However, about a dozen growers met on call, and discussed the subject, laying plans for a mass meeting with some definite ideas to be laid before the same. A committee was appointed to draw up articles of incorporation to be submitted to the mass meeting. The necessary details were attended to, the mass meeting called, and the articles of incorporation adopted. A committee was named to draft by-laws. In a later meeting these were adopted, growers were solicited to join, and in a few months the membership rose to 100, and covered one-third of the crop of the county. The membership this year has gone to 130 and covers about half of the crop. Since it was too late in the season to get a packing house or even a warehouse, the association allowed each member to sell to whom he

would, but not below 10 cents. Those who wished could hold for more. It was too late to handle the pits since many growers had contracted before they joined. The price on pits fluctuated greatly, and on the whole was quite unsatisfactory. The members obtained from 10 to 11 cents for their fruit. Outsiders from 8 to 10½ cents. The associations averaged about ½ cent above outsiders. But the outsiders partook in large measure of the benefit of the effort of the association. Many of them had adopted the minimum association price of 10 cents as their selling standard, and got it, too. Whereas 8 cents was as high as the buyers had expected to go. In fact, reports came in the papers that fruit had sold in the north as low as 6½ cents.

Ventura county is second in production of dried apricots, Orange county third. Ventura had no organization, but they sent two growers to investigate the newly organized Orange County Association. The growers there formed one on practically the same lines as Orange County. They stood out for a higher price, and while they did not achieve as much as they desired they did a little better than Orange county. Thus both associations achieved a notable success for the first year. The history of the 1911 season can not yet be written in full. When it is written it will prove a success, though not to the extent that was hoped for an anticipated. It may now be said that the association sold the pits by contract at a price that was way above what had been obtained heretofore, and was uniform for all. This gave very general satisfaction to the members, even though some outsiders obtained a higher price.

To settle upon a proper price for dried fruit was the first difficulty encountered after organizing. It would seem that the price must depend directly upon the size of the apricot crop, indirectly upon the amount of other dried fruit crops, and likewise upon general market conditions, dependent on prosperity or otherwise.

The first effort was to learn the size of the dried apricot crop for the year. Having then no knowledge of other associations in the state, this was a difficult and somewhat indefinite and unsatisfactory matter. The estimate arrived at was smaller than that given out later on, but the minimum price was fixed at 10 cents as stated before. The government gives out no report of the apricot crop. Large buyers and packers generally obtain an estimate from their local agents, but they do not give out their estimate to the growers. Growers in the southern counties always heard of the "big crop in the north," and the northern grower heard of the "big crop in the south." That is past now.

Why should not our Horticultural Commissioners be charged with the duty of making a crop report of horticultural products in their county? The past year the Board of Directors was enabled to get a tolerably accurate estimate, but it is not yet wholly satisfactory. They hope to improve next year. Orange county had about 1900 tons of dried apricots in 1911, against 900 in 1910. Ventura had about 2200 tons. Individual apricot growers could help in arriving at a good estimate if they would inform the secretaries of the nearest association, or the undersigned. From 12 to 14½ cents per pound has been paid to outside growers in Orange county for the 1911 crop, 13 to 14 cents prevailing early, a drop to 12 cents occurring later.

The association is operating its own packing-house this year. cake were served. Little Lillian cut her birthday cake, which was decorated with seven candles, and was passed around to the rest of the little girls. Miss Lillian received many beautiful presents from her friends. Theodore Kellenberger won a pair of gold beauty pins as a prize in a bean game. Russell Renner won the prize of a box of candy for the boy's prize.

The little folks who helped her celebrate were Lillian Johnson, Mary Frances Megede, Stanley Falkentine, Geraldine Ficus, Allie Harrison, Pauline Houts, Marguerite Snyder, Russell Renner, Ray and Ray Carter, Helen Pryor, Theodore Kellenberger, Harriett Chandler, Florence Allen, Cleveger Megede and Jacob Hartfield. Their school teacher, Mrs. Burgess was present and also Mrs. Harrison, Cleveger and Mrs. Megede.

### CALIFORNIA WILL HAVE SUGAR PLANTS IF TARIFF ALLOWS

MILWAUKEE, March 5.—Plans for a broad extension of the beet sugar industry are under consideration by Milwaukee beet sugar men and allied interests. The Wisconsin Sugar Company of this city, which operates four plants in this state, representing a business of \$2,000,000 a year to the farmers and an investment of \$6,000,000, is figuring on entering the Northwest. There are sites under consideration in the Dakotas and allied interests are investigating conditions in Washington, Montana, Wyoming. Several California factories are projected by men in close touch with the local interests. Wisconsin beet sugar men are only hesitating on account of the fear of a tariff cut which, according to President Wagner, would throttle the beet sugar industry and give the sugar trust control of the industry in America.

### LONG BEACH PLAYERS PLEASED WITH LINKS

Five Long Beach golf players were visitors Sunday at the Santiago Golf Club links, and they made two journeys around the course. They declared it the best natural course they had ever seen. The best score by the visitors was made by Will Campbell, who got scores of 43 and 44. About twenty members of the Santiago club were present yesterday.

## Pleasant, Refreshing, Beneficial.

Syrup of Figs and Elixir of Senna appeals to the cultured and the well-informed and the healthy because its component parts are simple and wholesome and because it acts without disturbing the natural functions, as it is wholly free from every objectionable quality or substance. In its production a pleasant and refreshing syrup of the Figs of California is united with the laxative and carminative properties of certain plants known to act most beneficially, on the human system, when its gentle cleansing is desired. To get its beneficial effects, always buy the genuine, for sale by all reputable druggists; one size only, price fifty cents a bottle. The name of the company—California Fig Syrup Co.—is always plainly printed upon the front of every package of the genuine.

### LOST

LOST—Pair of child's shoes, Bishop's store. Leave either at Bishop's or Register office, or call 25633, Orange.

### MONEY TO LOAN

\$1000 to \$5000 to loan on improved ranch property. 3 to 5 years. Address, Box 186 Santa Ana.

The market was more or less easy as leech-house stocks are quite heavy. New Pippins of the fourth size were best in call at \$1.75. The more liberal offerings of rhubarb and the lower rate for this commodity served to increase the demand. The best strawberry rhubarb sold around \$2.50 a box.

The market for citrus fruits presented rather an unsettled tone because of the sluggish demand. Receipts of oranges were moderate, but the prevailing prices were deemed a shade too high by the trade, and buying was restricted to small lots. Lemons were as quoted with the general movement slow. Fancy tangerines were firmly held at the top rates because of the light stocks available. The fancy stock was quoted at \$1.40 a box. There was plenty of cheap stock on sale at the inside rates.

In the market for miscellaneous kinds of vegetables the marked increase in the arrivals of asparagus was the feature. Receipts, however, found a ready market and No. 1 stock was well cared for at 20 cents per pound. Mexican tomatoes met with a good sale at from \$2.50 to \$2.75. Peas were scarce and prices were a shade firmer. The heavy rain of the previous night and yesterday morning served to keep many wagon deliveries away from the market and receipts generally in the vegetable line were scarce.

Notwithstanding the liberal receipts of eggs over Sunday the market advanced 1/2 cent over Saturday. The advance was not due to any heavy demand for this commodity, but it was rather in keeping with the situation in the north. San Francisco eggs were quoted at 21 1/2 cents and the market was reported firm at that figure. Canned selects sold at 5 1/2 cents, case counts at 2 1/2 cents per dozen. Seconds and pullets stock sold were advanced 1/2 cent. The market was steady under the revision of quotations. Receipts were 1054 cases.

The downward trend of the market on creamery butter last week, was again manifest yesterday when both creamery extra and firsts declined to 30 cents per pound. Other grades were unchanged over last week. The reason assigned for the decline was the rain which had the effect to keep stocks moving. In anticipation of heavier receipts along this line within a few days. Arrivals were 22,306 pounds.

Potatoes were in keen request for both local and shipping wants and the fancy lots were held at the recent advanced rates and ruled firm. Arrivals were 3205 sacks.

Only fancy onions commanded anything like quoted prices. There was considerable stock on sale that was not of a standard to warrant top prices. Yellow varieties constituted the bulk of the arrivals. Receipts were 300 sacks.

No beans or sweet potatoes were reported in. The market on both commodities was firm at quoted prices.

### A Modern Laundry

OUR SHIRT PRESSING MACHINE does away with ironing and shapes the neck band to fit perfectly.

OUR COLLAR SHAPING MACHINE shapes the collar so the tie slips. No more cracking. Our new process on table linen makes old linen look like new.

AT THE COURTHOUSE

## STRIP CAUSE OF THE SUIT

Altland's Answer Filed Today  
in Foreclosure Action Tells  
His Story

That there was a difference of contentions behind the foreclosure suit brought by T. M. Flippin against E. N. Altland, owner of a packing-house at McPherson, was made known today when Altland's answer to Flippin's complaint was filed by Altland.

## The New Idea in Underwear Comfort

Cooper's Klosed—  
Krotch Union  
Suits

A union suit with all the advantages and none of the disadvantages.

The old style union suit is more practical and comfortable than two-piece suits — is smooth fitting about the waist, no bulky double thickness, no shirt tail to roll up, no drawers to slip down—now comes Coopers Klosed-Krotch which perfects the union suit.

Athletic style \$1.00  
Oxford length \$1.25

Short sleeves, ankle length \$1.00 and \$1.50  
Long sleeves, ankle length \$1.00 to \$2.00

Hill, Carden  
& Co.

"The Stork Clothing Store."

Is your baby registered?

neys Williams &amp; Rutan.

Altland states in his answer that on Oct. 13, 1906, he bought the packing-house and site for \$5280 from Flippin. Of the purchase price, \$2000 was cash and the remainder was covered by a mortgage. Altland alleges that Flippin did not have title to the west ten feet of the property, adjoining the Tustin branch of the Southern Pacific, and by reason of not being able to give title to that strip the property is worth \$2000 less than the price of \$5280. Altland asks judgment giving him credit for that amount.

Marriage Licenses

Charles W. Bancroft, 20, and Winifred G. Dickinson, 18, both of Santa Ana.

Would Be Trustee

Arthur Staley of Placentia today petitioned to be appointed trustee of the property of Abraham Pritchard, who mysteriously disappeared from Fullerton on Nov. 24, 1911, and who has not been heard from since that time. Staley states that advertisements and circulars and searching by sheriffs and Burns detectives have failed to get any clew, and the mystery is still unsolved. Staley asks to be made trustee of Pritchard's ranch and personal property. Head & Marks are attorneys for the petitioner.

Kellogg on Stand

Yesterday a jury was selected to try the damage case of E. L. House against the Pacific Electric. House asks \$6285 damages as the result of overflow from the Santa Ana river. Engineer Kellogg has been on the stand practically all the time since the jury was selected. On the jury are: Charles Carlson, G. G. Williamson, S. T. Miller, J. A. Engel, C. D. Munger, F. W. Pryor, H. Schroeder, J. L. Knesel, C. L. McComber, W. L. Hale, William Boyer and Rupert Best.

His Trial Is Set

James Gordon, box-car robber, today pleaded not guilty and his trial was set for March 8. Gordon attempted to kill a Santa Fe officer who caught him robbing a car.

Phone us your orders for Teas, Coffees, Spices and Cereals and they will be delivered promptly. Premium coupons given. American Tea Co.

NOTICE

We pay 3c per pound at this office for clean cotton rags suitable for wiping presses, etc.

For beautiful snow-white linen try the People's New Laundry, 901 East Fifth street. Both phones.

**CATARRH CANNOT BE CURED** with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonic known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials free. F. J. CHENEY & CO., Props., Toledo, O. Sold by Druggists, price 75c. Take Hall's Family Pills for constipation.

We have the only electric power watch lathe in the city.

All work guaranteed.

Carl G. Strock  
112 East Fourth St.

## HE IS BEHIND SUBWAY TALK

Winnipeg Man and Clients  
Have Options and Land  
East of Tracks

Dodds lives at 412 West Washington. He came here a few months ago from Winnipeg, Can., where he was engaged in big affairs. He started the movement that resulted in the building of the first subway in Winnipeg. He has the greatest faith in Santa Ana, and declares that if everybody puts their shoulders to the wheel Santa Ana can be made to grow wonderfully.

Dodds is the man who has suggested the building of a subway on East Fourth. His map, appearing in the Times, shows proposed locations for the subway, hotel and a polytechnic high school for Santa Ana. Tustin and Orange. The subway matter has been talked over with railway officials, and has met with favor. A suggestion has been made that the Santa Fe, Southern Pacific, Pacific Electric and the city each pay one-fourth of the cost of the subway. A subway would be a matter of protection for the public.

"This subway is feasible," said Dodds today at R. J. Paley's office, "and it ought to be accomplished. I am certain that Santa Ana is ready to go forward at a tremendous pace. I have faith in the city. There are many of my people in Winnipeg who are anxious to come here."

A subway for East Fourth street, a tourist hotel and a union polytechnic high school are suggestions that are made in an advertisement that occupied a full page in the Los Angeles Times this morning. Inquiry concerning the ad. develops the fact that there has been considerable activity in the vicinity of the corner of Grand avenue and East Fourth street.

Among the transactions proposed or under way are:

R. J. Paley for G. L. Dodds has secured an option from W. D. Mateer and Cool Adams for twenty acres at the northwest corner of Grand and Fourth at \$1600 an acre, the same price quoted to the school board for a polytechnic high school.

Forlyce Briggs and Mrs. Charlotte Elliott, formerly of Winnipeg, have bought the G. R. Smith orchard lying between First and Fourth streets.

Mr. Robinson, a client of Dodds, has bought lots at the southwest corner of Fourth and Grand.

Other property in the vicinity may be under option.

IN THE JUSTICE'S COURT

## THEY WERE FINED FOR DISTURBANCE

Found Not Guilty

Justice Cox found Calvin Lambert of Tustin not guilty of the charge of disturbing the peace, brought by S. L. Vinson. Vinson charged that Lambert disturbed the peace by singing or yelling as he was going up the stairs to his room. Lambert brought several occupants of the place, the Tustin hotel building, to prove that they were not disturbed.

Given a Floater  
Raymond Yorba pleaded guilty to vagrancy and was given a six months floater. He was arrested by Constable Jackson.

Fined \$10 Each  
Juan Mito, E. Luna, Felipe Lopez and Guadalupe Morino were fined \$10 each yesterday afternoon by Justice Cox for disturbing the peace. They attacked Guaro Ayallo on Sycamore street between Second and Third, last Saturday night, and one of them struck Ayallo over the head with a rock. City police arrested these men.

## AMUSEMENTS

"The Squaw Man"

In "The Squaw Man" which comes to the Grand Opera House Tuesday, March 5th, one finds a play of the west replete with types and characters of that region, and with a spice of novelty that is far too infrequent upon the stage. Strangely enough, for a drama that touches on the teeming strenuousness of the Wyoming territory, there is little of the swashbuckling element in the play. While there is a bad man and a sheriff, and several cowpunchers, one misses the rip-roaring terrifying clash of personalities that is expected in a western play. In fact, there is no hint of coarse ruffianism so often to be found in plays of this description, and while the emotions are stirred by many moving climaxes, these are safely side-tracked in an artistic manner by the dramatist until they satisfy the sense without shocking the nerves. There is no point that is left uncovered, but just a good wholesome, clean and satisfying picture of men and things that moves the auditor irresistibly and carries him along. It is a play that deals with men as they are, and points to the dormant something that lies at the bottom of every man's soul when there is a woman somewhere in his life. While the first act is laid in England, the last three are placed happily in Wyoming, in the heart of the cattle country as it was some twenty years ago, and the character of the British army officer, who for love of his brother's wife, deliberately saddles himself with a crime of which he is innocent and buries himself in the west, is splendidly drawn and ably handled.

## CHICKEN SHOW IS TO BE A SUCCESS

Orange News: Although not exclusively for ducks, the poultry show which opens in the Schaffert building on next Monday is coming along swimmingly.

Entry blanks have been distributed and are being returned with a rapidity that assures the promoters of the enterprise that the poultry raisers will take a great interest, and that a big array of birds will be in the pens when the show opens. The entry lists will be closed Friday evening.

Preparations are being made to care for the birds exhibited with the greatest care. The pens of the Santa Ana Association having been secured. The low entry fee of 10 cents per bird and the large number of prizes, sixty-eight in all, make the show particularly attractive. Poultry being now in much demand, it is also likely that many good sales will be made during the show.

Officials of the show are urging poultrymen to get their entries in early, so as to avoid a rush of entries during the closing hours.

A man giving the name of Thos. Snell was found nearly dead from exposure beside the road on Grand avenue this morning by Mr. Rohrs.

Mr. Rohrs brought the unfortunate to Orange and turned him over to the officers. He was too exhausted to talk, having apparently lain out in the rain all night. It is supposed that he had been drinking and had fallen into a stupor by the roadside.

Dr. Wehrly, county physician, took the man in charge and sent him to the hospital. It is feared that he has contracted pneumonia.

A series of meetings were begun at the Methodist church yesterday which are to continue for two weeks. The meetings were marked by good attendance and pleasing results.

Meetings are to be held each afternoon and evening, the afternoon meetings beginning tomorrow to be

held at 3 o'clock.

Rev. Cory will speak this evening and there will be a special vocal number. Mac Watters' Quartet will arrive next Sunday to assist in the remainder of the meetings.

Tailor made skirts, made free from any goods purchased at our store costing \$1.00 per yard or over, on Wednesday, March 5.

A marriage license was issued in Los Angeles yesterday to Harry Clayton, 21, of Orange, and Florence Dowland, 21, of Los Angeles.

## FREAK ISLAND IS PROPERTY OF U. S.

Capt. Waters Gives up Claim to Island in Consideration of Five Year Lease

SANTA BARBARA, March 5.—San Miguel, the freak island of the Santa Barbara channel chain, which was claimed by Captain W. G. Waters, has become the undisputed property of the United States. Waters claimed the island because it was not mentioned in the cession treaties of Spain and Mexico or Mexico and the United States. For recognizing Federal sovereignty he was given a lease of five years and after that the government will leave it to the highest bidder.

The island continues to justify its freakish reputation. In recent times winds brought clouds of sand to it from somewhere on the mainland, filling up the canyons, killing the grass and driving the sheep to the leeward side of the island. During February winds took the sand away mysteriously as they came, cleaning up the canyons and reducing the dunes to the former pasture level.

## CAMPANIA WAVE-SWEPT IN WORST VOYAGE OF YEARS

NEW YORK, March 4.—With 358 first cabin passengers, all of whom were glad to get to land, the steamship Campania of the Cunard line arrived Sunday after one of the roughest voyages in years.

Tremendous waves towered above the ship on Tuesday, and, while the stiff northwesterly gale let up some on Wednesday, it redoubled in strength on Thursday, with the result that water swept the decks for hours.

## THREE STATES MAY SEND EXCURSIONS TO LAND SHOW

LOS ANGELES, March 5.—Three states will likely send excursions to the big Land Show that opens here on March 12. Two already arranged are to come from Utah and Nevada. Utah day being set for March 19, and Nevada day for March 27. Gov. Oswald West of Oregon is planning to bring a big delegation to San Francisco on March 12 to select Oregon's site at the Panama-Pacific Exposition grounds, and a telegram has been sent to him asking him to bring his delegation to the Land Show.

NEW TUBERCULOSIS CURE  
WASHINGTON, March 5.—Rattlesnake venom has been used successfully as a cure for tuberculosis, according to a report to the Maryland State Board of Health.

Dr. Joseph H. Thompson, of Hyattsville, Md., claims to have freed himself entirely from the bacilli of the disease by injections of snake venom, brought in tablet form, from South America.

—The Central Council, of the Fraternal Aid, will visit Santa Ana Council, No. 122, tomorrow evening. All members are requested to be present.

## BORN

HUNT—In this city, March 3, 1912, to Mr. and Mrs. Chester Hunt, a son.
